Please use the following template for drafting rules for Graduate Certificates, Graduate Diplomas and Masters courses.

Masters of Professional Archaeology

Applicability of the Student Rules, Policies and Procedures

1. (1) The Student Rules in Chapter \( x \) of this handbook apply to students in this course.

(2) The Policies and Procedures in Chapter \( x \) apply except as otherwise indicated in the rules for this course.

Admission

2. To be considered for admission to this course an applicant must have a degree with a major in Archaeology with a weighted average mark of at least 65 per cent or equivalent as recognised by the Faculty.

Course structure

4. The course consists of units to a total value of 96 points comprising—

(a) all units in Table (a) Master of Professional Archaeology core units

Satisfactory progress

5. (1) To make satisfactory progress in a calendar year a student must pass units to a value of at least half the total value of units in which they remain enrolled after the final date for withdrawal without academic penalty.

Progress status

6. (1) A student who fails to make satisfactory progress for the first time is assigned the progress status of ‘Suspended’ by the Faculty.

(2) A student who fails to make satisfactory progress for a second time is assigned the progress status of ‘Excluded’ by the Faculty.

Award of degree with distinction

7. To be awarded the degree with distinction a student must achieve a course weighted average (WAM) of at least 80% in:

(a) all units attempted as part of the course that are awarded a percentage mark
Table (a)—Masters of Professional Archaeology core units

All units have a value of six points unless otherwise stated.
