Doctor of Philosophy (00890) and Master of Industrial and Organisational Psychology (5XXXX)

Applicability of the Doctor of Philosophy Rules and the Student Rules, policies and procedures

1.(1) The Doctor of Philosophy Rules apply to this course.

(2) The Student Rules, policies and procedures in the Student Procedures, Rules and Policies section apply except as otherwise indicated in the rules for this course.

Academic Conduct Essentials Module

1.A(1) Except as stated in (2), a student who enrols in this course for the first time irrespective of whether they have previously been enrolled in another course of the University, must undertake the Academic Conduct Essentials module (the ACE module).

(2) A student who has previously achieved a result of Ungraded Pass (UP) for the ACE module is not required to repeat the module.

(3) A student who has not achieved a result of Ungraded Pass (UP) for the ACE module when their progress status is assessed will not have made satisfactory progress even if they have met the other requirements for satisfactory progress in the rules for this course.

(4) A student who does not make satisfactory progress in terms of (3) is assigned the progress status of ‘On Probation’.

Admission

2. To be considered for admission to this course an applicant must have either—

(a) had a PhD proposal approved by the Board of the Graduate Research School;

(b) an honours degree in psychology of at least 2A level or equivalent.

Research Thesis

3. The research thesis must be undertaken in the area of Industrial and Organisational Psychology.

Submission of research proposal and thesis

4.(1) A student who is permitted to enrol in terms of Rule 2(a) must submit a full research proposal to the Board of the Graduate Research School no later than 31 October in the year of their commencement of candidature if enrolled full-time or within nine months of their date of commencement if enrolled part-time.

(2) A student must, before submission of the thesis for the degree of Doctor of Philosophy, complete the Master of Industrial and Organisational Psychology component set out in Rule
