PART 1 – ITEM(S) FOR COMMUNICATION TO BE DEALT WITH EN BLOC

5. CHANGE TO ENTRY REQUIREMENTS: BACHELOR OF COMMERCE HONOURS AWARDS – REF: F20333

The UP07/123 - University Policy on: Honours Award states that:

“5.1.1 The minimum standard for admission to the Bachelor of Arts, Bachelor of Commerce, Bachelor of Design or Bachelor of Science end-on honours degree courses is an average mark of at least 65% in the Level 3 units of the major relating to the proposed disciplinary field of the honours course, or equivalent.

5.1.3 If a discipline sets a minimum entrance requirement higher than that in 5.1.1, it must be specified and published as its minimum entrance requirement.’

In line with the policy, and as a result of a new grading policy being adopted by the UWA Business School, the School’s Teaching and Learning Committee have agreed that entry requirements for Bachelor of Commerce Honours Awards will increase from 70% to 75% from 2015.

As the change to the entry requirement is in line with policy no approval is required for this change.

For noting.
